Tutoring Program Guide

Students are expected to have a specific space in the home to store their tutoring supplies and books, such as a backpack, basket, or shelf.

Parents are responsible for ensuring that students have the following supplies at each tutoring session:

Basic Supplies*

1. Composition book
 - i. Kindergarten through 2nd grade - with colored lines and drawing space
 - ii. 3rd and up - regular composition book, wide- or narrow-ruled according to student preference
2. Two-pocket folder
3. Sharpened pencils
4. Crayons (K-2nd), colored pencils (3rd and up)
5. Ruler with inches and centimeters (1st-4th)
6. Calendar

*A supply pack (\$25) or individual items may be purchased from the tutor upon request.

Subject Books

As tutoring progresses, the tutor will determine which subject books the student needs. Parents are expected to purchase the workbooks.

1. Saxon Math or other math workbooks
2. Other potential workbooks (vocabulary, spelling, grammar, analogies)
3. Tradebooks may be purchased by the parent or borrowed from the tutor or library (i.e., Dr. Seuss or other reading books for children learning to read, novels or nonfiction books for fluent readers).
