

MEET THE TUTOR

*LeighAnn
Oettinger*

Hello, my name is LeighAnn, and I am so happy to be your tutor! I will plan creative and challenging lessons designed just for you.

This is my sixth year tutoring children and teens. I will keep our sessions positive and organized, and I will talk with your parents about how you are doing.

When I'm not tutoring, I love being in nature, spending time with friends, and talking with my daughter about her travels. I also love playing with our cats, Nala, Mister, and Cutiepatootie, reading all types of books, writing family stories, and trying new restaurants.

Dear Parents,
Family connections are important to me! The best way to reach me is my email: leighann@wingslikeadove.org or by calling or texting. I will provide my cell when we are connected.
